FEATURING A CUSTOMIZED NETWORK FOR
PROMINENCE HEALTH PLAN MEMBERS

OPEN ACCESS NATIONAL NETWORK

Prominence Health Plan has partnered with **Cigna** as the national network for use outside of Nevada for all groups who have national network benefits. (*EPO, PPO, HDHP, Level 2 POS & HMO Freedom*) Cigna has an expansive national network that includes more than 6,300 hospitals, over 1 million physicians and multiple ancillary providers across the country.

As with other networks, it will always be the member's responsibility to validate that a provider they are seeing is in the Network.

Prominence Health Plan has worked with Cigna to develop a customized network that provides the highest quality care in the most cost-effective setting. To search all Cigna locations within the Cigna national network, please visit: www.cigna.com and click "Find a Doctor, Dentist, or Facility." Be sure to select the "PPO" network, and then click on "Employer" to search in your city, state or zip. Make sure to search as a "**Guest**" under the "**PPO**" network.

Please note the Cigna network is not available in the State of Nevada. This network is available for national network coverage outside the State of Nevada for those specific groups who have national network benefits. For in-state providers please visit www.prominencehealthplan.com
