**CALENDAR YEAR DEDUCTIBLE (CYD)  
ANNUAL OUT-OF-POCKET MAXIMUMS (OOPM)**

<b>CALENDAR YEAR DEDUCTIBLE</b>	<b>IN-NETWORK: Member pays \$2,800 single; \$5,600 family OUT-OF-NETWORK <sup>1</sup>: Member pays \$5,600 single; \$11,200 family</b>
<p>A deductible is a set amount of covered charges occurring each calendar year which must be paid by the member before benefits are payable under this plan. Copays do not count towards the deductible.</p> <p>This High Deductible Health Plan Includes an embedded individual deductible provision. An embedded individual deductible combines individual and family deductibles in a family health insurance policy. The plan will begin to pay benefits as soon as one member of the family reaches the individual deductible limit.</p>	
<b>ANNUAL OUT-OF-POCKET MAXIMUM</b>	<b>IN-NETWORK: Member pays \$4,000 single; \$8,000 family OUT-OF-NETWORK <sup>1</sup>: Member pays \$8,000 single; \$16,000 family</b>
<p><b>Deductibles, coinsurance and copays all accrue toward the out-of-pocket maximum (OOPM). Use of the emergency room for non-emergency conditions cannot be used to satisfy the OOPM.</b></p> <p>NOTE: The out-of-pocket maximums do not apply to or include:</p> <ul style="list-style-type: none"> <li>• expenses which are not covered by the Plan, for any reason;</li> <li>• expenses in excess of Usual and Customary; and</li> <li>• expenses which become the Covered Person’s responsibility for failure to comply with the requirements of the Utilization Management Program.</li> </ul>	
<b>COINSURANCE</b>	<b>IN-NETWORK: 0% OUT-OF-NETWORK <sup>1</sup>: 30%</b>

Members who obtain covered benefits from non-plan provider will be responsible for all charges in excess of the Usual and Customary Rate (UCR) charge and you could be responsible for all expenses over and above the UCR. Those charges in excess of the UCR will not be applied to the out-of-pocket maximum. UCR services mean the maximum amount the plan will pay for a covered service.

<sup>1</sup> Members who obtain covered benefits from non-plan provider will be responsible for all charges in excess of the Usual and Customary Rate (UCR) charge and you could be responsible for all expenses over and above the UCR. Those charges in excess of the UCR will not be applied to the out-of-pocket maximum. UCR services mean the maximum amount the plan will pay for a covered service.

<sup>2</sup> Some services listed may be billed as diagnostic procedures, not preventive/screening procedures, which could require a member to pay the share of cost as listed under “Radiology and Diagnostic Services”. Diagnostic procedures are usually conducted when a member has already been diagnosed with an illness or disease, or a member is receiving follow-up treatment for an existing medical condition. In addition, a member share of cost might be incurred if additional procedures that are not listed on the “Preventive Services” list are conducted concurrently to the preventive service.

**Prior authorization**

Prior authorization is the standard process of receiving approval for certain procedures and medical services to ensure that the requested medical care is appropriate and necessary. Not all services require a prior authorization from Prominence Health Plan. Your PCP (or specialist) obtains this on your behalf. For a complete list of services that require prior authorization, please visit the member portal on [www.ProminenceHealthPlan.com](http://www.ProminenceHealthPlan.com) or call 800-863-7515 to confirm if prior authorization has been obtained, if required.

**Managing your care with a primary care provider (PCP)**

As a Prominence Health Plan PPO member, you can choose from a comprehensive network of providers and services, from primary care providers (PCP), specialists, urgent care clinics, imaging centers, laboratories and more. We encourage you to establish a relationship with your PCP, who can help manage your care and ensure timely receipt of recommended preventive care that may be appropriate. It is always good practice to check with your PCP before seeking care from a specialist. Your PCP can help determine if specialty care (i.e., cardiology, gastroenterology, neurology, etc.) is needed.

**Access to pediatricians**

For children, you may designate a pediatrician as the primary care provider.

**Access to OB/GYN physicians**

You do not need prior authorization from Prominence Preferred Health Insurance or from any other person (including a PCP) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Prominence Health Plan Customer Service.

**Rescissions**

Prominence Preferred Health Insurance will not rescind coverage once a member is enrolled unless the individual (or a person seeking coverage on behalf of the individual) performs an intentional act, practice or omission that constitutes fraud, or unless the individual makes an intentional material misrepresentation of fact, as prohibited by the terms of the Certificate of Coverage. Prominence Preferred Health Insurance will provide at least 60 days advance written notice to each participant who would be affected before coverage will be rescinded.

**Emergency Services are provided as follows:**

- a. Without prior authorization requirement, even for out-of-network services;
- b. Without regard to whether the provider of the services is in-network;
- c. If the services are out-of-network, without any administrative requirements or coverage limitations that are more restrictive than those imposed on in-network services; and
- d. Without regard to any other term or condition of the coverage other than: (1) the exclusion of or coordination of benefits; (2) an affiliation or waiting period permitted under ERISA, the PHSA, or the Internal Revenue Code; or (3) applicable cost sharing.
- e. Emergency care services performed by non-network physicians or providers will be reimbursed at the Usual and Customary Rate or at an agreed upon rate.
