

MEMORANDUM

June 15, 2018

To: Board of Fire Commissioners
Truckee Meadows Fire Protection District

Fm: Charles A. Moore, Fire Chief

Re: Fire Chief's Report and Updates

July 1, 2018 marks the sixth anniversary of the District's standup and District staff accomplished a great deal in that amount of time. I have prepared a draft Report to the Community that highlights current and historical operations and I am requesting your feedback on the report for inclusion into a final document for the Board to consider in July.

You will also find a map of "Fire Response Zone" changes that reflect the new location now that the new Station 14 is operational. This will require some explanation, but changes were not significant. I will provide you with a verbal report at the June 19 meeting.
