- C. Minor spacing and duplications were corrected in the Table of Contents and at Article 60.

WHEREAS Article 10 of the CBA requires the parties to mutually agree to any amendments to the CBA; and,

WHEREAS the Parties met and conferred and agreed to correct the mistakes described herein and in the Board of Fire Commissioners Staff Report dated November 5, 2019, which was approved by the Board of Fire Commissioners at a public meeting held on December 17, 2019,

NOW THEREFORE in consideration of the mutual promises contained herein and other good and valuable consideration, and subject to all the terms and conditions of this Agreement, the Parties agree as follows:

- A. The CBA shall be and is amended consistent with the Recitals described herein and in the Board of Fire Commissioners Staff Report dated November 5, 2019.
- B. The changes described in this Amendment are intended to reflect the mutual intent of the Parties at the time the CBA was originally agreed to, are corrections to technical and typographical mistakes which both Parties failed to notice, and that nothing in this Amendment increases, decreases or otherwise affects pay, benefits or other terms or conditions of employment in any way.
- C. There are no other changes or amendments to the CBA not described herein.

The Parties hereto through their duly authorized officers or representatives and intending to be legally bound hereby have hereunto set their hands and seal this 17th day of December 2019.
