**Required at time specified below:**

Must successfully complete District's Lateral Academy and obtain Firefighter II certification, which meets NFPA standards by end of academy.

Must have the ability to obtain a Nevada's Class "C" Driver's License with "F" endorsement, which complies with the Nevada Department of Motor Vehicles' requirement within six (6) months of appointment.

**DISTINGUISHING CHARACTERISTICS**

This is the entry level in the Firefighter class series, which provides for progression to the next level upon meeting the requirements of the class and recommendation of the appointing authority. This level is intended as a training position to enable incumbents to learn duties, policies, and procedures specific this position. It is distinguished from the Firefighter/Paramedic by the fact that incumbents perform a narrower range of duties under direct supervision.

**SUPERVISION EXERCISED**

Exercises no supervision.

**EXAMPLES OF DUTIES** *(The following is used as a partial description and is not restrictive as to duties required.)*

Respond to fires and other emergency or public assistance incidents in a timely, safe, and skilled manner and participate in their control through hose laying, ladder operation, ventilation, extinguishment, extrication, salvage and other activities as part of team effort.

Perform as an emergency medical technician; rescue people endangered by fires or other hazards and administer first aid to injured parties when assigned.

Assist with maintaining the fire station in a clean and orderly condition.

Perform basic maintenance and flow tests on fire hydrants; perform minor maintenance on fire tools and equipment.

Participate in and receive training in fire control, prevention, hazardous materials, rescue, EMS and related life and property protection activities; study fire department rules, fire hazards, and firefighting including wildland firefighting and lifesaving techniques.

Operate specialized equipment such as wildland apparatus, chain saws, portable pumps, hydraulic rescue equipment, as assigned; assist in the inspection and maintenance of fire apparatus and equipment.

Conduct basic inspections and other fire prevention tasks including fire safety public education and presentations to eliminate or reduce fire hazards and enforce fire codes.

Perform various public information and public relations tasks, answer questions from the general public. Prepare and maintain various records, maps, and reports.

Ensure that assigned duties and responsibilities are performed in a safe and prudent manner that does not expose self or others to unnecessary harm or risk of on-the-job injury.

## **JOB RELATED AND ESSENTIAL QUALIFICATIONS**

### **Knowledge of:**

Policies and procedures of the Truckee Meadows Fire Protection District.

Geography of the district, including major streets and landmarks.

Firefighting and rescue methods, tools, and equipment.

Principles, use, and limitations of basic mechanical tools.

Arithmetic computations and formulas.

Fire behavior and fire control techniques to carry out assigned wildland fire suppression.

Fire line terminology required to communicate with other crew members.

Symptoms of medical emergencies and of appropriate responses to such conditions.

Basic Life Support medical treatment.

Invasive and non-invasive therapy; drug therapy as allowed by EMT certification.

Emergency medical procedures and in-patient assessment techniques.

Specialized patient monitoring devices and life support systems such as heart monitor/defibrillator and pulse oximeters as allowed by EMT certification.

### **Ability to:**

Perform a variety of firefighting and emergency rescue assignments.

Assess and treat patient's medical condition.

Learn a variety of firefighting duties, methods, tools, and equipment.

Analyze situations quickly and reach logical conclusions in emergencies.

Plan, organize, and prioritize daily activities.

Read and comprehend laws, regulations, policies, and procedures.

Read and follow street maps.

Understand and follow oral and written directions.

Climb ladders and work at considerable heights.

Maintain records and prepare reports.

Understand basic arithmetic elements using whole numbers, decimals, percentages, and fractions.

Act with integrity; exercise appropriate discretion and maintain confidentiality of information.

Exercise emotional control and work under stressful situations.

Communicate effectively, both orally and in writing.
