Open Enrollment Notice

January 1, 2021 – December 31, 2021

What is "open enrollment?" Open enrollment is your once-a-year opportunity to review/adjust your medical/dental/vision benefit elections, and make sure they continue to meet your needs and your family's needs. Open Enrollment also allows you to enroll/drop coverage of your eligible dependents. You will not be eligible to enroll/drop coverage until this time next year unless you experience a Qualifying Life Event. Qualifying Life Events, also called changes in family status, include: *Marriage, Divorce, Birth or Adoption, Gain/Loss of Other Coverage or Court-Ordered Coverage*. You may also change medical plans during open enrollment.

OPEN ENROLLMENT GENERAL INSTRUCTIONS:

You have a choice between the medical plans: **Option #1) Prominence Health Plan Custom PPO Beyond 1** plan or **Option #2) Prominence Health Plan Custom HD/HSA Core 3** plan. The District will contribute to the HSA plan if you elect to change to this plan. The HSA plan will be funded annually, January 15th.

If you want to change to the HSA plan or change to the PPO plan, ***you must complete a new Enrollment/Change Form plus the Election Form*** and return them **no later than December 4th**. Once you make an election, you cannot change plans until the next open enrollment period.

If you do not need to make any changes to your current benefit elections, ***you still will need to complete a new Election Form*** and return the forms **no later than December 4th**.
