Prior authorization

Prior authorization is the standard process of receiving approval for certain procedures and medical services to ensure that the requested medical care is appropriate and necessary. Not all services require a prior authorization from Prominence Health Plan. Your PCP (or specialist) obtains this on your behalf. For a complete list of services that require prior authorization, please visit the member portal on www.ProminenceHealthPlan.com or call 800-863-7515 to confirm if prior authorization has been obtained, if required.

Managing your care with a primary care provider (PCP)

As a Prominence Health Plan PPO member, you can choose from a comprehensive network of providers and services, from primary care providers (PCP), specialists, urgent care clinics, imaging centers, laboratories and more. We encourage you to establish a relationship with your PCP, who can help manage your care and ensure timely receipt of recommended preventive care that may be appropriate. It is always good practice to check with your PCP before seeking care from a specialist. Your PCP can help determine if specialty care (i.e., cardiology, gastroenterology, neurology, etc.) is needed.

Access to pediatricians

For children, you may designate a pediatrician as the primary care provider.

Access to OB/GYN physicians

You do not need prior authorization from Prominence Preferred Health Insurance or from any other person (including a PCP) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Prominence Health Plan Customer Service.

Rescissions

Prominence Preferred Health Insurance will not rescind coverage once a member is enrolled unless the individual (or a person seeking coverage on behalf of the individual) performs an intentional act, practice or omission that constitutes fraud, or unless the individual makes an intentional material misrepresentation of fact, as prohibited by the terms of the Certificate of Coverage. Prominence Preferred Health Insurance will provide at least 60 days advance written notice to each participant who would be affected before coverage will be rescinded.

Emergency Services are provided as follows:

- a. Without prior authorization requirement, even for out-of-network services;
- b. Without regard to whether the provider of the services is in-network;
- c. If the services are out-of-network, without any administrative requirements or coverage limitations that are more restrictive than those imposed on in-network services; and
- d. Without regard to any other term or condition of the coverage other than: (1) the exclusion of or coordination of benefits; (2) an affiliation or waiting period permitted under ERISA, the PHSA, or the Internal Revenue Code; or (3) applicable cost sharing.
- e. Emergency care services performed by non-network physicians or providers will be reimbursed at the Usual and Customary Rate or at an agreed upon rate.
