## Events/Incidents of Interest

### Wildland Fuels Reduction

TMFR Wildland Fuel Crews have worked tirelessly from Washoe Valley to Palomino Valley to reduce the threat of wildfires sparked by utilities.

Crews worked to clear a number of areas in the Rolling Hills community utilizing a grant from the Nevada Division of Forestry.

### EMS Training

EMS is a growing portion of our training curriculum as we become more engaged in the ambulance service. There is continual training of TMFR firefighters to provide a high level of EMS support to our community, as seen here in training for medication-assisted intubations and hemorrhagic strokes.

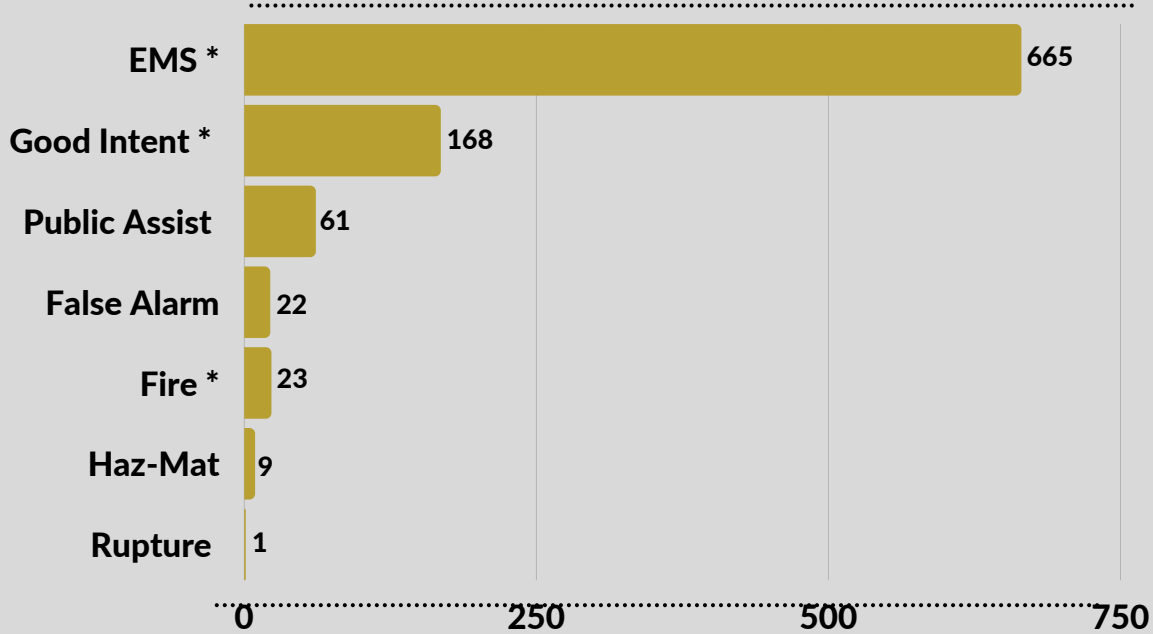

### Grass Fire

In early April, TMFR Crews suppressed a grass (hay) fire on Timothy Drive in the Holcomb Ranch area. It was a windy day, but crews contained the fire to the origin and no structures were impacted.
