Dear Mr. Scarpello and Mr. Banis,

I want to express sincere gratitude and thanks for your grant award that will fund the purchase of a Type III brush engine for Truckee Meadows Fire Protection District.

Wildfires that threaten the built environment are one of our principal challenges, and this grant will significantly contribute to our community's fire defense.

With heartfelt gratitude, and on behalf of the Board of Fire Commissioners, thank you.

Warm Regards,

Alexis Hill, Chair
Truckee Meadows Fire Protection District
