B. Three-way trades are permissible and must be rank for rank except where the employee(s) filling in for the shift trade is/are qualified per ARTICLE 21 – WORKING OUT OF CLASSIFICATION to perform all of the duties and responsibilities of the position being manned either by being designated to serve in an 'acting' capacity in that position or otherwise certified as being so qualified.

A. The District agrees to provide a group medical plan, including health, dental and vision coverage, to full-time employees and shall pay one hundred percent (100%) of the premium attributable to employee coverage under this plan during the life of this Agreement. In the event an employee elects dependent coverage, the District shall pay

fifty percent (50%) of the premium for such coverage. The provider of such insurance shall be mutually agreed upon by the parties. In the event there are changes in a specific benefit or if there are inclusions or deletions of benefits, said changes shall be negotiated.

D. Life Insurance: The District agrees to provide twenty-five thousand (\$25,000) of life insurance to full-time employees.

E. The parties recognize that the cost of retiree health insurance should be considered a current benefit earned and paid for during an individual's employment, with the benefit simply being deferred until retirement. Based upon this, the parties further recognize that the funding of the retiree's other post-employment benefits (OPEB) must be addressed during the period of employment of active employees in order to try and ensure the fiscal integrity of the program in the future and in order to try and ensure that the benefit upon retirement can be provided. With those mutual recognitions and understandings, the parties herein agree to pre-fund the program annually at the actuarially determined contribution (ADC) amount attributable to this bargaining unit. For the year beginning July 1, 2024, the annual contribution will be determined using the most recent actuarial report, increased by the same percentage as the increase in the benefit provided in this agreement over the previous agreement. Future contributions will be based on the ADC provided by the actuary and based on the updated benefits within this agreement

NOTE: Retiree Health benefits over sixty (60%) were negotiated and agreed upon by both parties, with the stipulation that employees hired before July 1, 2024 can maintain balances, but not accrue over 1456/1040 and employees hired or promoted after June

The District will pay the employee portion of a PERS contribution rate increase of up to a three percent (3%) increase to police/fire PERS and two percent (2%) for regular PERS in lieu of a raise during the term of the agreement. In the event that the Nevada Public Employee's Retirement System rate increases above three percent (3%) for police/fire PERS or two percent (2%) for regular PERS, the District and the Employee will split equally the remaining increase above three percent 3% for police/fire or two percent (2%) for regular PERS..

ARTICLE 35 – DEFERRED COMPENSATION

During this time, the employee shall be placed on a 40-hour workweek schedule. If an employee remains unable to return to full duty after one hundred eighty (180) days, the employee will receive workers compensation pay in accordance with the NRS statutes on TTD benefits and minimum pay required only. Commencing at one hundred eighty one (181) days post injury and if on TTD, the employee will no longer accrue any vacation time until released to full or modified duty. The employee shall utilize additional accrued leave hours to make up any deficit between workers compensation pay and the employee's normal hourly compensation. ARTICLE 47 – DISCIPLINE/DISCHARGE

A. The District shall not reprimand, demote, suspend, or discharge an employee without just cause. The term “just cause” includes the concept of progressive discipline, where appropriate. Progressive and corrective disciplinary action is designed to provide a fair and structured way for Employees to improve their job performance and/or behavior which do not meet the standards or demands of their position and to provide a system for fair and equitable treatment of those Employees who will not or cannot bring their performance up to expected standards.

1. It is the policy of the District, through a progressive and corrective discipline system, to give Employees an opportunity to improve their job performance and/or behavior which does not meet the standards or demands of their position. An Employee may be summarily dismissed only in the event of gross misconduct.

2. Progressive and corrective disciplinary action may begin at any of the steps defined below, depending on the seriousness of the offense committed, the frequency of occurrence, or the cumulative effect of multiple minor infractions. Verbal warnings or written reprimands may be administered by the employee’s immediate supervisor, or the Fire Chief. A demotion, suspension or discharge shall be administered by the Fire Chief.

- a. Verbal Warning/Reprimand – A verbal warning or reprimand is given to the Employee for the first instance of a minor offense. A copy of the verbal warning is placed in the Employee’s personnel file, but it is removed eighteen (18) months following the date on which it was given if the intervening service has been satisfactory. The Employee is required to read and sign the verbal warning and has the right to appeal if the Employee thinks the warning is unjustified.

- b. Written Warning/Reprimand – A written or formal warning is given to the Employee in the first instance of more serious offenses or after repeated instances of minor offenses. The warning states the nature of the offense and specifies any future disciplinary action which may be taken against the Employee if the offense is repeated. A copy of the written warning is placed in the Employee’s personnel file, but it is removed eighteen (18) months following the date on which it was given if the intervening service has been satisfactory. The Employee is required to read and sign the formal warning and has the right to appeal if the Employee thinks the warning is unjustified.

- c. Suspension Without pay –
 - I. If, despite previous warnings, an Employee fails to reach the required standards in the specified time frame, the Employee may be suspended without pay. An employee may be suspended without pay without prior infractions for serious offenses. Under suspension, the Employee is barred from working for a period of time and their salary is docked accordingly. Suspension without pay actions could range from one (1) to five (5) shifts for line personnel and one (1) to ten (10) workdays for eight (8) or ten (10) hour personnel.
 - II. An Employee may also be placed on suspension without pay pending discharge. A decision to suspend pending discharge is made based on the reasons for the discharge and is generally utilized when the Employee is suspected of gross misconduct or when their continued presence during the investigation period would be a disruption to normal District business.
 - III. If the Employee is found to have been suspended inappropriately, pay and benefits for the period of suspension will be reinstated (except that if insurance has lapsed, coverage for time passed cannot be reinstated).
- d. Discharge – An Employee who fails to correct unsatisfactory performance/behavior during previous steps in the progressive discipline procedure will be discharged. In the case of a serious infraction (gross misconduct), an Employee may be summarily discharged without benefit of the progressive and corrective discipline's sequence of lesser actions.
- e. Notice of Intent – Before taking action to discharge, demote or suspend an Employee having permanent status, i.e., Employees who have successfully completed an initial probationary period of twelve months, the District shall serve on the Employee and the Association, (unless the Employee requests in writing that the Association not be notified), either personally or by certified mail, a "Notice of Intent" which shall contain the following:
 - I. A statement of the District's intention.
 - II. A statement of the cause or causes upon which the action is based.
 - III. A statement that the Employee may review and shall receive upon request, copies of material upon which the action is based.
 - IV. A statement that the Employee has seven (7) calendar days to respond to the charges, either orally or in writing.
- f. The Employee or the Association, upon whom "Notice of Intent" has been served, shall have seven (7) calendar days to respond or protest to the District either orally or in writing before the proposed action may be taken.

B. Protest of Action:

- 1. The Association may protest any disciplinary action taken under this Article which shall be an appeal considered and processed in accordance with ARTICLE 48 – GRIEVANCE PROCEDURE, commencing at step three (3), except as provided below.
- 2. A rejection of an Employee during a probationary period is not considered disciplinary action. Probationary Employees who are rejected during their probationary period (new hire & promotional probationary periods) are not subject to the grievance procedure if ARTICLE 14 – PROMOTIONS is followed.
- 3. An Employee who is promoted and subsequently rejected during their promotional probationary period shall be returned to the lower classification from which he was promoted.

C. The parties recognize for the purpose of progressive discipline, nothing shall be used against an employee in a demotion, suspension or discharge action unless the employee has been notified in writing. In the event that there has been such notification, written reprimands shall not be used against an employee if it has been in the employee's file for a period of eighteen (18) months, discounting periods of leaves of absence, provided that there has been no notification for the same or similar conduct during that eighteen (18) month period. This eighteen (18) month limitation does not apply 1) to any discipline rising to the level of a suspension or demotion, or 2) to any disciplinary action taken against an employee arising out of a matter covered under Title VII of the Civil Rights Act of 1964. The purpose of the second exception is to allow consideration of both the seriousness of the employee's proven offense and the record of the employee with the County in determining the degree of discipline administered, given the County's specific legal obligations under Title VII.

D. Upon written request of an employee to the Fire Chief, disciplinary material that has been in the employee's file for a period of eighteen (18) months may be removed from the employee's personnel file at the discretion of the Chief, excluding those materials relating to Title VII referred to in Section C above.

E. Disciplinary materials removed from an employee's personnel file shall be maintained by the Human Resources Department as historical records of discipline imposed and for the purpose of providing a defense in any future employment litigation involving the District.

All reduction in force shall be established by seniority in the Department. Departmental seniority shall be established from ARTICLE 50 – SENIORITY. The District shall notify the Association of the need to reduce the number of employees who are on payroll within the bargaining unit at least ninety (90) days before the effective date of a layoff. Such notice shall be given in writing addressed to the Association by certified mail. The notice shall disclose the number of positions affected, the rank or classification of each position so affected, and the division or divisions, if any, which are to be affected. Immediately after issuing the notice, the District shall give the Association a reasonable period of time, of no less than thirty (30) days, within which it shall meet and negotiate. The District shall respond to any proposals, which the Association may make in response to the subject matter of notice.

2. Each employee who is to be reduced in rank or laid off as a consequence of a reduction in force or the disbandment of any division shall be given written notice, at least sixty (60) days before such action is to occur, of the date, purpose and nature of the action that is to be taken with regard to them. The notice shall state the reasons for the action, and any rights, which the employee may have under the Department Policies and Procedures or this agreement with regard to their employment. A copy of the notice also shall be delivered to the Association.

3. In the event that a reduction in force results in the need for a redistribution of employees from superior ranks to lesser ranks, such reductions in ranks shall be accomplished by reducing in rank those employees with the least tenure in the affected rank counting from the employee's date of promotion.

4. An employee who is laid off shall be paid for all accrued time in accordance with this agreement.

5. All employees who are reduced in rank or laid off shall not suffer any loss in benefit or entitlement accrued proper to the date of the action, e.g., holidays, vacation, personal leave, pension, and overtime, earned, accumulated and unused at the time of reduction in rank or layoff.

Employees who elect to accept such offers may accept the incentive as a lump sum payment, and/or apply the incentive towards NV PERS credit purchases.
11. In the event a management level position such as Battalion Chief or other position outside of the positions represented by Local 2487 is eliminated and results in a layoff of those personnel, the affected person shall have the right to return to their previously held position provided they were promoted out of Local 2487 and not hired from the outside. Upon returning to said position, the class seniority shall be set at the same amount of time that existed upon last occupying such position. Any seniority that was accumulated in a management level position shall be excluded from the class seniority for the re-occupied position. In no event shall this provision be utilized to circumvent a disciplinary demotion or voluntary demotion.
