

How to Use the Hometown Health Provider Directory

1) Visit hometownhealth.com

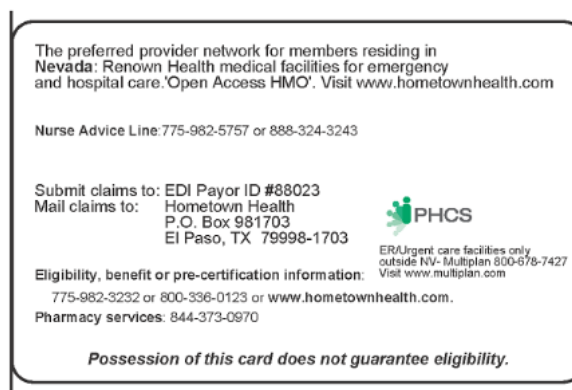

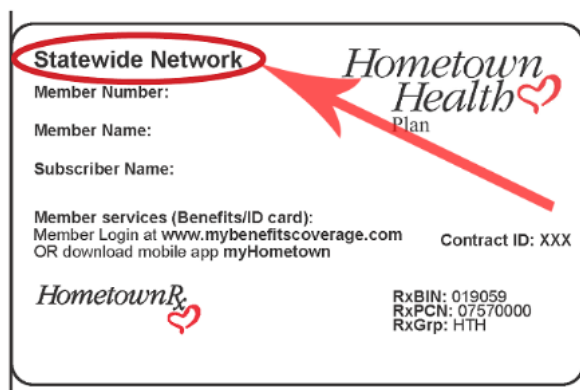

2) Click on "Find a Doctor" at the top of the page.

3) Use the "Narrow Results" filters on the left-hand side. Click the red "search" button once you have selected your filters.

4) Make sure to filter by your plan network, which can be found on your insurance card. Please note that the "Statewide Network" is the Hometown Health PPO Network.

The provider network your plan utilizes can be found on your Hometown Health ID card.
