Additionally, public comment will be heard during individually numbered items designated as "for possible action" on the agenda; is limited to three minutes per person per comment period; and should pertain to the specific item(s) being considered by the commission. Persons are invited to submit comments in writing on the agenda items by emailing [publiccomment@tmfpd.us](mailto:publiccomment@tmfpd.us) and/or attend and make comment on that item at the Board of Fire Commissioners meeting. Persons may not allocate unused time to other speakers.

**Forum Restrictions and Orderly Conduct of Business.** The Board of Fire Commissioners conducts the

business of the District and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

**Responses to Public Comments.** The Board of Fire Commissioners can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Fire Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. To avoid this situation and to ensure that the public has notice of all matters the Board of Fire Commissioners will consider, Fire Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for District staff action or to ask that a matter be listed on a future agenda. The Fire Commissioners may do this either during the public comment item or during the item entitled "Commissioners'/Fire Chief's announcements, requests for information, or topics for future agendas."

**Posting of Agenda.** Pursuant to NRS 241.020(4), the Agenda for the Board of Fire Commissioners has been physically posted at the Truckee Meadows Fire Protection District Administration building located at 3663 Barron Way, Reno , Nevada 89511 and has been electronically posted at <https://tmfpd.us/agendas-minutes/> and <https://notice.nv.gov>.
